Lígalo En Línea — Horse Racing Bet

MULTIPLICA TU PASIÓN

1. Overview

GPS (Win / Place / Show) offers three betting options in a single race. You can bet on your horse winning (Win), finishing in the top two (Place), or finishing in the top three (Show). Each option has a different dividend.

2. How to Bet

- Select the racetrack and race.
- In the "GPS" module, select your preferred horse.
- A modal will open where you choose the bet type:
 - — Win: Horse must finish 1st.
 - — Place: Horse must finish 1st or 2nd.
 - — Show: Horse must finish 1st, 2nd, or 3rd.
- You can combine multiple options in the same bet (e.g., Win + Place).
- Enter the amount for each selected type and confirm.

3. Racetracks & Races

Lígalo En Línea offers races from over 40 racetracks across the United States, international venues, and Latin America.

- USA & International Tracks: Entries, live odds, and results are continuously updated.
- Latin American Tracks: Managed by the Lígalo team.
- Races open for betting according to the track schedule.
- Betting closes automatically 2 minutes before post time.
- Once a race is closed, no more bets are accepted until results are published.

4. GPS Bet Types

Win:

- Horse must finish in first place.
- Offers the highest dividend of the three options.

Place:

- Horse must finish 1st or 2nd.
- Dividend is lower than Win, but the probability of winning is higher.
- Place dividend depends on how many horses finished ahead.

Show:

- Horse must finish 1st, 2nd, or 3rd.
- Lowest dividend of the three options, but highest probability of collecting.

5. Bet Rules

- You can bet Win, Place, Show, or any combination in the same wager.
- Each bet type (W/P/S) is calculated and paid independently.
- If the horse is scratched, the bet is refunded.

- If the race has fewer than 5 participants, Place and Show options may not be available.
- The final dividend for each position is determined by official results.

6. Payouts & Dividends

Payouts are calculated with the following formula:

Payout = (Amount Wagered / Factor) × Adjusted Dividend

- USA & International Tracks: Factor = 2
- Latin American Tracks: Factor = 100

Winnings are automatically credited to the user's balance when official results are published.

The raw dividend is adjusted according to official platform ranges. See the Dividends & Incentives Rules for full tables.
