MULTIPLICA TU PASIÓN

## 1. Overview

---

Liga 6 is a pool bet where you must pick the winner in exactly 6 designated races. All participants contribute to the pool, which is shared among those who correctly pick all 6 winners. If no one hits all 6, the pool carries over to the next day.

## 2. How to Bet

---

- In the "Liga 6" module, you'll see the 6 designated races for the day.
- For each race, select one or more horses as potential winners.
- Combinations are calculated automatically: Cost = base amount × total combinations.
- Example: If you select 2 horses in one race and 1 in the rest, you have 2 combinations.
- Enter the base amount per combination and confirm.

## 3. Racetracks & Races

---

Lígalo En Línea offers races from over 40 racetracks across the United States, international venues, and Latin America.

- USA & International Tracks: Entries, live odds, and results are continuously updated.
- Latin American Tracks: Managed by the Lígalo team.
- Races open for betting according to the track schedule.
- Betting closes automatically 2 minutes before post time.
- Once a race is closed, no more bets are accepted until results are published.

## 4. Bet Rules

---

- You must pick the winner in each of the 6 races to win.
- You can select multiple horses per race to increase your combinations.
- Total cost = base amount × (selections race 1 × selections race 2 × ... × selections race 6).
- If a selected horse is scratched, combinations including it are recalculated.
- If a race is canceled, that race is removed from the pool and recalculated.

### Carryover:

- If no ticket hits all 6 races, the pool carries over to the next Liga 6 day.
- The carryover amount is displayed in the interface before betting.

## 5. Pool Distribution

---

- The total pool consists of all bets for the day plus any accumulated carryover.
- The platform retains a commission from the pool (announced in the interface).
- The net pool is divided equally among all winning tickets.
- Winnings are automatically credited to the user's balance.
